Is it  
for  
me?

SAT

**DURING THE TEST:**

• Complete the easy questions first.

• Guess if you can rule out one or more answers as wrong in a question.

• Omit questions that you have no idea how to answer.

• Mark only one answer for each multiple choice question.

• Continuously check to see if you are marking in the right section for the right number on the answer sheet.

• Do scratch work on your test booklet.
